

## Manufacturer's Statement of Certification

This statement certifies that all residential solar powered attic fans manufactured by International Solar Solutions Inc. ("iSOLAR") qualify as "Solar Electric Property" as defined by IRS Notice 2009-41, "**Credit for Residential Energy Efficient Property**" as prescribed in the **American Recovery and Reinvestment Act of 2009** and therefore qualify for the Federal 26% tax credit provided on installations that occur prior to December 31, 2021. See Department of the Treasury Internal Revenue Service Tax form 5695 (The Residential Energy Credit) to apply.

Disclaimer: This Statement of Certification is in accordance to the qualifications for tax credits as the law states on this date. iSOLAR cannot guarantee the products' eligibility if the current requirements change after 1/01/2019. The information contained herein is believed to be accurate as of the time of preparation. However, iSOLAR makes no warranty concerning the accuracy of this information. iSOLAR is not a tax advisor. Taxpayers claiming a tax credit should consult a tax professional with any questions. iSOLAR is not responsible or liable for the taxpayer's ability to receive tax credits. This document is not intended to constitute legal or tax advice. More comprehensive information will be made available by the IRS. The user maintains the complete responsibility to comply with all codes, laws and regulations applicable to the safe and proper use, handling and installation of the product and should consult with a professional for all construction and design related questions.
